Special 4th of July Session at Univ. of Virginia

With the 4th falling on a Sunday this year, camp will begin on Saturday, July 3, that week so everyone can get checked in, and as a whole camp, go to Kings Dominion to enjoy their fireworks display that night.

We'll have sports and recreational programming in the morning of the 4th followed by a special festive July 4th outdoor picnic, then it's off to Kings Dominion for rides and fireworks.

4 Star to Sponsor School in Haiti

With the devastating earthquake in Haiti causing untold damage, death and homelessness 4 Star is in the process of finalizing plans to adopt or sponsor a school that has been damaged in the earthquake. Education is a critical component in order for the people there to have any hope of rising above the devastation. We are excited about the opportunity to help and are hoping to receive a matching grant from the Rotary Foundation. More information will follow in future newsletters.
