

The 4 Star News

March 2010

NEW University of Virginia dorms 2010! We're moving to the International Residential College dorms of Munford and Gwathmey this summer. They are located on the corner of Sprigg Lane and Emmett Street across from the Tennis Courts and next to Alumni Hall.

Larger lounge spaces for us and easy access in and out. We're excited!

KEEP CHECKING OUR WEBSITE for program updates.

Help For Haiti's Kids

We have launched a program where we donate \$25 of every registration to help rebuild a school in earthquake-ravaged Haiti. These critical funds may also be eligible for matching grants from Rotary International.

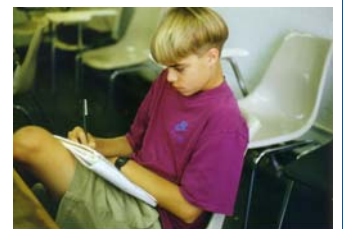

Please help us to reach our goal of raising \$10,000 for this effort!

To fulfill our commitment to helping young people develop to their full potential, we will continue to provide financial donations in future years and also send volunteer 4 Star staff to Haiti to help during the off-season.

In 4 Star's Spotlight

Coach Gary Glassman, Director of 4 Star Tennis Camp at Stony Brook University and Head Coach of the Men's and Women's Tennis teams.

Coach Glassman is well experienced in running tennis camps, having conducted residential camps at Stony Brook prior to teaming up with 4 Star. Both Gary and his assistant coaches are looking forward to being on court this summer working directly with campers.

During his past 10 seasons at Stony Brook, Glassman has successfully transitioned the mens and womens programs into the America East Conference where they have become title contenders every season. Under his tutelage, Stony Brook players have been named All-America East a total of 45 times.

For those of you in the New York area, the 4th Annual Seawolves Tennis Funfest will take place on Saturday, March 29 from 6 - 9 pm at Eastern Athletic Club in Blue Point. Get out and meet Coach Glassman and his players!

About 4 Star Camps

Since 1975 we have been dedicated to:

- **Exceptional instruction**

We select our coaches, teachers, graduate and post-graduate students and support staff based upon a combination of experience and youth mentoring skills. You can rely on them to provide a positive camp learning experience.

- **Commitment to safety**

We ensure your child's security and well-being while at camp. Before each season, our entire staff completes an extensive safety training program that includes first aid and CPR. During camp, a Health and Safety Coordinator is on-duty or on-call 24.7, and hospitals/clinics are just minutes away from all locations.

- **Decades of experience**

2010 marks our 36th year of providing high-quality summer academic and athletic programs.

- **Industry leadership**

As a family owned and operated business we are committed solely to providing exceptional summer athletic and academic camps. We have no "off-season" and spend the entire year upgrading our programs to meet the needs of our participants.
